7 Student possession and use of cellular phones, pagers, and other electronic signaling devices on
8 school grounds, at school-sponsored activities, and while under the supervision and control of
9 school district employees is a privilege which will be permitted only under the circumstances
10 described herein. At no time will any student operate a cell phone or other electronic device with
11 video capabilities in a locker room, bathroom, or other location where such operation may violate
12 the privacy right of another person.

13

14 Students may use cellular phones, pagers, and other electronic signaling devices on campus
15 before school begins and after school ends. Students may also use such devices during the lunch
16 period. These devices must be kept out of sight and turned off during the instructional day.
17 Unauthorized use of such devices disrupts the instructional program and distracts from the
18 learning environment. Therefore, unauthorized use is grounds for confiscation of the device by
19 school officials, including classroom teachers. Confiscated devices will be returned to the parent
20 or guardian. Repeated unauthorized use of such devices will result in disciplinary action.
