Dear Parents/Guardians

I have been using paperback editions of *The Egypt Game* for the past ten years and replacing worn out copies at a rate of five to ten books every year. I thought it would be better to get more durable books, however the cost of such an update was more than I could personally afford and buying them from my class room budget would mean not getting some basic supplies for my classes. So, I applied for and received a "One Class at a Time" Grant from Allegiant Management Plan and KPAX. I asked for \$250.00 to purchase a class room set of *The Egypt Game* hardbound editions.

KPAX and Allegiant Management Plan will be sending representatives to my class to present the check. They will also be sending a camera crew to record the presentation to show on TV. They need permission to show children on air. I am asking parents to give written permission for their children to appear on TV. If you don't want your child on television, they will not be on camera. If you don't object, you must sign the release and return it to me as soon as possible.

I do not know the date of the visit, which class will be included, or when the segment will air, but I will keep you informed, as I get the details.

Thank you for your support in this exciting opportunity for our children.

Mrs. Gingerich

I give permission for KPAX to film and air images of my child _____
in their segment covering the awarding of the One Class at a Time grant to Mrs. Gingerich and St. Regis
School.
