5 Annual Goals and Objectives

6

7 Each year at the July Trustees meeting the Board will formulate annual objectives for the District  
8 and will have available a written comprehensive philosophy of education with goals that reflect  
9 the District 's philosophy of education. The philosophy of education and goals shall be in  
10 writing and shall be available to all.

11

12 The Superintendent shall submit two reports to the Board which reflect the degree to which  
13 annual objectives have been accomplished. The first report will be done at the January trustee's  
14 meeting and the second report will be made at the July trustee's meeting.
