5 High School Graduation Requirements

6
7 The Board will award a regular high school diploma to every student enrolled in the District who
8 meets graduation requirements established by the District. The official transcript will indicate
9 the specific courses taken and level of achievement.

10
11 The Board will establish graduation requirements which, at a minimum, satisfy those established
12 by the Board of Public Education (A.R.M. 10.55.904 and 905). Generally, any change in
13 graduation requirements promulgated by the Board will become effective for the next class to
14 enter ninth grade. Exceptions to this general rule may be made, when it is determined by the
15 Board that proposed changes in graduation requirements will not have a negative effect on
16 students already in grades nine (9) through twelve (12). The Board will approve graduation
17 requirements as recommended by the Superintendent.

18
19 To graduate from St. Regis High School, a student must have satisfactorily completed the last
20 quarter prior to graduation as a St. Regis High School student. Highly unusual exceptions may
21 be considered by the principal, such as a student exchange program in a recognized school.

22
23 A student with a disabling condition will satisfy those competency requirements incorporated
24 into the individualized education program (IEP). Satisfactory completion of the objectives
25 incorporated in the IEP will serve as the basis for determining completion of a course.

26
27 A student may be denied participation in graduation ceremonies. Such exclusion will be
28 regarded as a school suspension. In such instances the diploma will be awarded after the official
29 ceremony has been held.
