6

7 The rules and regulations relating to health, as promulgated by the state Department of Public
8 Health and Human Services, will be the rules and regulations of the District.

9

10 In case of emergency, if the parent or family doctor cannot be located, a school official should
11 take the child to the nearest emergency room.

12

13 Exclusion and attendance at school are subject to regulations embodied in the Montana
14 Department of Public Health and Human Services' communicable disease information for
15 schools. (Also see immunization information in Policy 3110.)
